

Welcome To A New Year!

Mid-South AALAS Branch—www.midsouthaalas.org

January 2018

What's new this year?

Hello members! I am Stephanie Fowler, your 2019 Mid-South AALAS President. Also new in office is Steven West serving as your Vice President. We would like to open up communication this year with monthly flyers and emails.

Happy Tech Week!

Thank you for all your hard work and service! On behalf of the Mid-South Branch, we would like to say, "Thanks!". 2019 International Laboratory Animal Technician Week will be January 27th-February 2nd. Please send us any pictures of appreciation. We will post it in next month's flyer. (send to s-fowler@hotmail.com)

Branch Meeting

Our next branch meeting will be held Wednesday, April 10, 2019 at Southern Research Center in Birmingham, AL. We are working on securing a venue for a social the night before. We will keep you posted on what time and where.

Name That Newsletter!

Send us ideas on names for our new monthly newsletter! A poll will be sent out with the names so we can all vote!

Spring Meeting in Birmingham, AL April 2018

Calling All TECHS!

Remember last year's Tech Talks? This could be you! Let us know if you are interested in speaking on a motivational subject, team building subject, or teach us about a new procedure by signing up to do a Tech Talk. A 10 minute talk can earn you \$50!

Volunteer

Please let us know of any ideas for volunteering as Mid-South AALAS in your area. Some branch leaders were stating how they did things like free cat and dog nail trims in their neighborhood so that they could discuss how animal research is good and not evil. I would like to get a group of members together to work the Food Pantry for the month of January. —Stephanie Fowler, BS, LVMT, RLATg
